| 9. | Mr. Pornthep Itsoponpun       | Director                                |

Directors attending this meeting consist of the following:

- |    |                               |          |
|----|-------------------------------|----------|
| 1. | Lt. Gen. Wattana Petchmongkol | Director |
| 2. | Mr. Poorich Nanawaratorn      | Director |

Note: Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Office informed to the Meeting that the directors no.4 to 9 (6 in total) attending the meeting today were legally appointed by the resolutions of the Extraordinary Meeting of Shareholders No.1/2017 dated October 20, 2017 and the Company has already submitted the director registration to the registrar of Department of Business Development, Ministry of Commerce and is currently under registrar's consideration.

Next, the Chairperson notified the Meeting that to ensure the transparent and legal manner of the Shareholders' Meeting in accordance with the law and the Company's regulations, the Company has invited the Mr. Peerawit Saardchom, an independent lawyer, to perform the role of an inspector to monitor the transparency and legitimacy as well as to inspect the vote count for this meeting.

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer then assigned Mr. Somchai Wuttisart, Senior Vice President of Legal Division to explain details of the meeting and vote counting procedures.

Mr. Somchai Wuttisart informed the shareholders that the Mr. Somkid Taitragul, the Company's CPA and representative of Grant Thornton Co., Ltd has also attended the meeting. He also addressed that the Company has observed good corporate governance, carrying fair and equitable treatment to all shareholders. With regards to information disclosure and notice of the Invitation to 2018 AGM, apart from the commonly-practiced method to deliver the invitation to AGM to all shareholders via registered mail according to the Company's Articles of Association, the Company also publicized the notice and meeting documents in advance by posting them on the Company's website -- [www.iec.co.th](http://www.iec.co.th) -- since March 20, 2018 in order to provide more information access channels to shareholders or other interested investors.

And for this meeting, the Company has hired Inventech Systems (Thailand) Co., Ltd., a professional and experienced service provider in registration and data processing arrangement in shareholder meeting for top registered companies in the SET, to be the attending registrar and evaluate the voting in each agenda so that the meeting can be carried out with precision and speed.

In addition, the Meeting was also informed that voting rules and procedures were already explained in the Enclosure No. 8 of the Invitation to 2018 AGM. Mr. Somchai Wuttisart then further announced that in terms of the voting practice, during the registration session, the Company had issued voting tickets to shareholders for casting their votes. In order to ensure that the voting process is correct and in compliance with the good voting practices, the Company asked the shareholders or proxies to kindly sign their voting tickets for every agenda. In terms of the voting in each agenda, Clauses 14 and 35 (Bi) of the Articles of Association state that one share is eligible for one vote. Thus, voting can be conducted in two cases as follows:

1. Shareholders attending the Meeting in person: those who disapproved recommendations made by the Board of Directors or abstained their votes for each agenda, after casting vote onto the voting ticket, were required to raise their hands in resolving the agenda so that officers could reach them to collect their voting tickets. In the event where the attending shareholders did not raise their hands, it was deemed that such shareholders approved the recommendations made by the Board. After that, voting results would be processed by which votes for disapproval and abstention would be

collectively deducted from the total votes in presence in each agenda and the remaining would be considered the votes for approval of such agenda. Finally, the votes would be announced to the shareholders in each agenda.

In this regard, Somchai Wuttisart also noted for the Meeting's attention that **for Agenda 6 in appointment of directors, in replacement of directors with expiring tenure**, shareholders were allowed to cast their votes **for each individual director**. After voting, the Chairman would announce the results for each director for the Meeting's further acknowledgment. Therefore, **only for Agenda 6** that the Company would collect voting tickets from all attending shareholders **who cast votes for approval, disapproval and abstention** so as to follow good corporate governance practices.

2. **Proxies**: Form A Proxies, or those who were conditioned to vote after the explanation in each agenda, followed the same rules as that of the shareholders attending in person.

Form B or Form C Proxies, or those who were conditioned by grantors to vote in advance, prior to each agenda, were not required to vote as the Company had recorded their votes designated by the grantors. Unless the grantors did not state their intention in each particular agenda or did not state clearly, the proxies were allowed to vote upon their discretion, in the same manner as the shareholders attending in person. When the voting was done, the Chairman would announce the voting results for each agenda for the Meeting's further acknowledgment.

In collecting the voting tickets for those who would disapprove and abstain, it would take approximately three minutes per agenda. Therefore, they were required to observe the signal made by the Company's officers.

Incidentally, should longer time to count the votes in any agenda be required, the Chairman would ask for permission to announce such voting result in the following agenda.

Additionally, should any shareholders send the unmarked voting tickets for any agendas, the Company would regard that such shareholders voted approval of such agendas.

Should any shareholders or proxies who had already registered but had not yet voted be unable to attend the meeting until its end, they were required to exercise their rights by sending their voting tickets in advance to the officers to count their votes in those agendas.

In the event where the shareholders and proxies did not deliver their voting tickets to the officers, it would be deemed that they voted approval of those agendas. Furthermore, in the event where any shareholders proposed to change the content for consideration in any agenda in different from the original content of the Board of Directors, the Chairman would ask for an approval from the majority of the shareholders. Those who disapprove or abstain were required to raise hand. If the voting could not be assessed by observation, the Company would use special voting tickets which had already been distributed together with the voting tickets to the shareholders. Those who disapproved and abstained were required to deliver their tickets to the officers so that they would be deducted from the total votes. Finally, the majority of the votes would be taken into consideration.

For those shareholders who registered to attend the meeting after it had started for a while, their votes would not be included in the agenda which had already been considered and approved before their attending. They were able to vote for the remaining agendas only.

Mr. Somchai Wuttisart further informed the Meeting that should any shareholder intend to raise question or suggestion to the Meeting for any agenda, a kind cooperation from such shareholder or proxy was requested to declare his/her name - surname and status whether he/she was a shareholder attending in person or a proxy in order that the Company could clarify and answer accordingly as well as further record the minutes correctly, according to the generally accepted standard of practices.

In addition, since this meeting consisted of 7 general agendas and another agenda, Agenda 8 for consideration of other matter(s), to be considered, the meeting had to proceed in accordance with the order of the agendas as prescribed in the Notice of Invitation unless the Meeting, with no less than two-thirds of the attending shareholders, required otherwise.

Regarding this, when the inquiries and replies of the general agendas had been completely made accordingly, should any shareholder have additional opinion or suggestion, it was recommended that he/she raise it in Agenda 8. If the proposed matters required further consideration and resolution other than those prescribed in the Notice of Invitation that fell into the category of additional agenda under Section 105, Paragraph 2 of Public Limited Company Act, B.E. 2535 (1992), the resolution and voting procedures had to follow the law that governs such incident. According to Section 105 of Public Limited Company Act, B.E. 2535 (1992), the two voting procedures were as follows:

- (1) There had to be the shareholders holding at least one-thirds of the total subscribed shares altogether voting in affirmation of the matter for general meeting consideration.
- (2) After Procedure (1) had completed, the general Meeting would then cast their votes in resolving such matter to be considered as the Meeting's resolution for such matter.

With this regard, the resolutions of the general Meeting had to be as follows:

- For Agenda 1, Agenda 4, Agendas 5 and Agenda 6, the majority vote of the attending and voting shareholders would be taken into account.
- For Agenda 7, regarding the remuneration of directors, no less than two-thirds of the attending and voting shareholders would be taken into account.
- For Agenda 3, which is the report of Company's overview and operating results in 2017 for the general Meeting's acknowledgment, voting was not required.

Next, Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer as the Chairperson of the meeting moderated the meeting according to the Agenda as specified in the Notice of Invitation as follow:

**Agenda 1: Review, approve and certify the minutes of the Extraordinary General Meeting of Shareholders No.1/2017, dated October 20, 2017**

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer proposed to the Meeting to review and approve the minutes of the EGM No.1/2017 dated October 20, 2017 regarding capital decrease, increase, amendment to the Memorandum of Association to be in compliance with the capital decrease-increase, issuance of new ordinary shares to existing shareholders, appointment of additional directors, appointment of the auditor and determination of auditor's

compensation for the year 2016 as per details of each agenda in the copy of the minutes of the EGM No. 1/2017 enclosed and delivered earlier with the Notice of Invitation to the 2018 AGM to all shareholders.

The moderator then informed the Meeting that this Agenda would take into account the majority of the attending and voting shareholders in accordance with Section 107 (1) of Public Limited Company Act, B.E. 2535 (1992).

A male shareholder inquired to the Meeting whether the directors appointed by the resolution of the last meeting (referring to EGM No.1/2017 dated October 20, 2017) are now a registered director and whether they are able to enter into a transaction binding the Company should the registration is not approved.

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer addressed to the Meeting that the registration of new directors to the registrar of the Department of Business Development, Ministry of Commerce are currently underway and not yet finalized. The appointment of directors is legally effective by the resolution of the Shareholders' meeting on October 20, 2017. However, they would be able to enter into a transaction binding the Company with another company as a director only when the registration is approved by the registrar first.

**Resolution:** The Meeting resolved that the minutes of the aforementioned meeting were accurate and complete with a majority of the attending and voting shareholders approving the minutes of the Extraordinary Meeting of Shareholders No.1/2017 dated October 20, 2017 in its entirety. The results of the vote were as follows:

- Approved	85,572,564,345	votes accounting for	98.7247 %
- Disapproved	1,105,375,900	votes accounting for	1.2752 %
Total	86,677,940,245	votes accounting for	100 %
- Abstained	69,847,144	votes accounting for	-
- Invalid	0	votes accounting for	-

of the total votes of the attending and voting shareholders.

**Agenda 2 Consider and approve the audited annual balance sheet, profit and loss statement for the year as ended December 31, 2016**

In this Agenda, Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer informed the Meeting that the Company's 2016 financial statements ending December 31, 2016 is being prepared and audited by Grant Thornton Co., Ltd, the Company's auditor and is not yet finished due to the need to appraise the assets / investment of a new company.

Mr. Somkit Tiatrakul, auditor of Grant Thornton Co., Ltd informed to the meeting that the auditing of financial statements is underway with 90% of the information gathered audited and is determining how to present the auditor's report which needs a little more time. The auditing company is auditing the remaining information as quickly as possible and will do its best to finish the preparation of the aforementioned financial statements in a timely manner.

With the aforementioned reasons, the Chairperson of the meeting therefore removed the Agenda from the meeting of shareholders. Once the balance sheet and income statement ending December 31, 2016 are prepared and

audited, the Company will present them for shareholders' consideration.

After the Agenda was removed, some shareholders inquired the Meeting as follow:

Mr. Panya Thammachat inquired to the meeting whether the Company could briefly summarize the tendencies of the figures for the Company's financial statements for the Meeting's acknowledgement.

The Chairman and the Chief Executive Officer informed the Meeting that the Company also doesn't know the exact figures of any operating results in the financial statements because the financial statements' preparation is not yet finished.

A female shareholder inquired to the Meeting whether the Company has a chance to be deleted from the Stock Exchange in the near future.

Mr. Pongkawin Jungrungrangkit, Chairman and Chief Executive Officer informed to the meeting that regarding the deletion, the Company has coordinated with the Stock Exchange and informed them about the work plan and progress on the Company's financial statements. The Company believed that it will not be deleted from the Stock Exchange because both the Company and auditors are working as quickly as possible to prepare the financial statement within the time informed to the Stock Exchange.

A female shareholder inquired why the Company hasn't submitted financial statements for almost 2 years and when the financial statements are expected to be prepared as well as when the Company's stocks would be unsuspended from trading.

Chairman and Chief Executive Officer then addressed that the problem regarding the preparation and submission of the Company's financial statements had been a problem since the former managements' term during the 2<sup>nd</sup> quarter of 2016 as a result of the corruption, resulting in no auditor to audit financial statements for the Company. He noted that within only a few months after the new management took over, they were able to contact and secure an auditor firm Grant Thornton to be audit 2016 financial statements for the Company, resulting in EGM No.1/2017 dated October 20, 2017 approving their appointment for 2016 legally. As for the long period of time needed to gather information to prepare financial statements, this is due to the fact that the Company's information and documents were confiscated and seized by the Security Exchange Commission ("SEC") as an evidence to lay against the former management charged with corruption after the Company was investigated jointly by the SEC and the Department of Special Investigation ("DSI") in 2016. This proved to be a major obstacle in the procurement and acquisition of information needed to prepare the financial statements as well as the necessity to appraise the Company's assets and investment money again, resulting in inevitable delay. It was not until mid-March 2018 that SEC permitted the auditor to look through the documents confiscated or seized. As for the 2016 financial statements, the Company expect that it will be finalized by the end of May 2018. As for the inquiry regarding the removal of suspension on Company's stocks, the Stock Exchange's regulation stipulated that the stock will be unsuspended only when the Company is able to prepare and submit unsubmitted financial statements to the SET for every unsubmitted period. The Company will also have to continue submitting financial statements for another 2 regular periods consecutively.

Mr. Apichet Paiboonpan, Director and Member of Audit Committee addressed to the meeting that the Company's new directors fully understand and realize the shareholders' concern towards the Company. The Company

would like to assure that by May 2018, the Company will be able to publish financial statements of the 2<sup>nd</sup> quarter of 2016 as the Chairperson mentioned and is confident that the publication of the aforementioned statements will facilitate the preparation of the subsequent unsubmitted financial statements and gradually publish them in the future.

Mr. Pakdeechai Achatewan, a shareholder, expressed his opinion that should there be any necessity to acquire information or cooperation with the former management to prepare the financial statements, the Company should ask the court to order the former management to testify or submit necessary information to the Company.

### **Agenda 3 Acknowledge the overview and operating results of the Company in 2017**

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer reported the overview and operating results of the Company and its subsidiaries in 2017 for the meeting's acknowledgement as detailed in the 2017 Annual Report delivered to each shareholder while presenting the information and pictures on PowerPoint slides to help visually illustrate the report the Company and its subsidiaries' situation in 2017 for shareholders' acknowledgement as follow:

- The capital increase shares allotted and offered to existing shareholders at the end of November 2017 at the offering price of 0.0125 baht each were subscribed by 2,070 shareholders which is 136,224,716,121 shares or approximately 1,702 million baht. The amount of money acquired are safeguarded in the Company's saving account. However, the Company couldn't use the capital increase funds until capital increase registration is finished.
- Because the Company couldn't use the capital increase funds in its business, this resulted in lack of financial liquidity. On February 26, 2018, the Company therefore considered and sold all 500,000 of Nong Ri Power Plant ordinary shares at 100 baht each, totaling 50,000,000 baht to STRR Engineering Co., Ltd. The reason is due to the fact the Company could not commence its scheduled commercial operation date determined by P.E.A which is by June 30, 2018 due to the lack of funds to operate its business. By failure to commence its SCOD, the power purchase agreement will be terminated and the investment will be lost, therefore the Company had to sold all the shares in the power plant to cut off the risk in power plant's operation and use the money acquired for the company group's business instead which will benefit the Company and the group more than leaving Nong Ri Power Plant a worthless company.
- On March 15, 2018, IEC Green Energy Co., Ltd. (IECG), the Company's subsidiaries purchased 2,000,000 more of Gidec Co., Ltd's ordinary shares from Electricity Generating Public Company Limited (EGCO) which is 50% of Gidec's registered capital at 12.29 baht each or approximately 24.58 million baht. The reacquisition of shares resulted in IECT becoming the sole 100% shareholder of Gidec. The reason behind the purchase is due to the fact that 5 years prohibition period where EGCO's shares are prohibited from being sold to outside party. Should EGCO wish to sell their shares to outside party, they must be offered to IECG first. The Company speculated that should EGCO sell their shares to other party, it may result in management conflict and therefore a takeover may be more beneficial to

the Company and prevent disruption in management, allowing the Company to also fully recognize the profit as well.

- Subsequently, the Company presents information through PowerPoint slides on the roadmap for each of the Company's business and projection plan for the meeting's consideration and acknowledgement.

Mr. Somchai Wuttisart, Senior Vice President of Legal Division informed and ask the shareholders wishing to ask questions, make suggestions or express their opinion to the meeting to tell their name and last name for the meeting's acknowledgement as a standard of practices.

Mr. Tongnot Paenglard, the proxy of the Thai Investor Association asked the following questions: 1. When could the Company register and know the result of the registration to the Department of Business Development 2. What the Company would do in case the registrations are declined.

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer informed that by his own speculation, the registrar could inform the result of registration to the Company by the end of May 2018. In case the registration is declined, the Company may have to secure other sources of loan or capital or sell off non-perform assets such as land or unnecessary assets to remedy and mitigate the financial illiquidity.

Mr. Yongyuth Puaprasert, a shareholder, expressed his opinion that as one of the shareholders of the latest capital increase share, he would like to see the Company removing SP sign and resume trading in the Stock Exchange as soon as possible.

Mr. Sanyapong Klaham, a shareholder, inquired that in case the Company needs to secure other sources of capital, where would the Company go to and whether the Company would issue debenture.

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer informed that in case of loan, the Company would primarily seek loans from financial institutions.

Mr. Samarn Chantarat, a shareholder, gave his opinion that should the capital increase shares are unable to be registered, the Company should ask the shareholders of such shares for loans in some form such as debenture or convertible debenture.

Mr. Somchai Wuttisart, Senior Vice President of Legal Division explained that issuing debenture of convertible debenture (CD) requires the resolution of the meeting of shareholders. In his opinion however, if the registrar did not approve the registered/paid-up capital for the Company, it would not be possible to issue CD either because CD is part of the registered/paid-up capital increase process.

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer added that he would not deem it possible to ask for resolution from the meeting to issue debenture because issuing debentures requires plans, details and many procedures in accordance with the SEC and SET's regulations to be fulfilled first and thus would not be possible at this time.

Miss Kulasab Maytheetripat inquired about the profitability and viability of plastic pellet recycling business for the Company's future.

Mr. Komol Jungrunruangkit, a director, explained to the meeting that People's Republic of China had adjusted its policy to prohibit the import of contaminated plastic or scab and thus, only processed pellet plastic could be imported.

This resulted in increase in plastic pellet order from PRC and increase in plastic pellet manufacturer and price competition. The Company expected to gain revenue from this business but considering the future of this business, it would not be possible to fully confirm the bright future for this business. On the other hand, situations and many long-term factors have to be taken into account.

Mr. Apiwat Pirunsam, a shareholder, suggested the possibility of converting unused plastic pellet manufacturing machine into electricity generator for Company's power plants instead and asked if technically there is any way or possibilities to do so.

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer informed that personally, he thought it would be possible to convert the machine but this would result in increase in electricity generation cost and the Company may have to purchase power at higher than normal rate.

Mr. Thanawan Sintanabodi, a shareholder, asked what flagship business for the Company for 2018 would be and whether it would still be plastic pellet production or other new business.

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer informed that by taking into account of current situation, it would be the current business which is the plastic pellet production.

Mr. Seksan Pongsasakulchote, a shareholder then opined that the Company should seek other new business opportunities that has tendency or possibility to generate profit for the Company instead of clinging to current businesses.

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer then informed that in the most recent capital increase, the Company has laid business plan for the period but due to registration problem, the need to spend money for such business and the time past, have resulted in operations coming to a halt. It is believed that the Company may expand its business in other beneficial ways after it is freed from the constrain.

Mr. Sapon (last name not declared), a shareholder, inquired about the progress on the litigation where the Company sued those involving in acts of corruption.

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer reported that there are many cases of corruption that the Company sued against preparators, valuing over hundreds of million baht. So far, 3 cases have been concluded and the Company was compensated approximately 21 million baht.

**Resolution:** The Meeting acknowledged the overview of the Company in 2017.

#### **Agenda 4 Consider and appoint the auditor and determining the auditor's compensation for 2017**

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer addressed to the meeting that in accordance with the Public Limited Company Act, B.E. 2535 (1992) whereby it is stipulated that the meeting of shareholders appoint an auditor for the Company every year, the Board of Directors deemed appropriate to present the list of auditors for the meeting's consideration and approval for 2017 as follow;

- 1) Mr. Somkit Tiatrakul CPA No. 2785 or
- 2) Ms. Kanyanat Sriratchatchaval CPA No. 6549 or

- 3) Mr. Teerasak Chuasrisakul CPA No. 6624 or
- 4) Ms. Sansanee Pulsawat CPA No. 6977 or
- 5) Mr. Narin Churamongkol CPA No. 8593

of Grant Thornton Co., Ltd to be IEC's corporate auditor for 2017 with one of them performing the audit and give their opinions while determining the audit fee for 2017 to not exceeding 7,500,00 baht (seven million five hundred thousand baht) which is the same amount as 2016's audit fee. At the same time, the Company presented the table and profiles of each auditor and audit fee for shareholders' consideration.

The moderator then informed the Meeting that this Agenda would take into account the majority of the attending and voting shareholders in accordance with Section 107 (1) of Public Limited Company Act, B.E. 2535 (1992).

**Resolution:** The meeting resolved by the majority of the attending and voting shareholders to approve

- 1) Mr. Somkit Tiatrakul CPA No. 2785 or
- 2) Ms. Kanyanat Sriratchatchaval CPA No. 6549 or
- 3) Mr. Teerasak Chuasrisakul CPA No. 6624 or

The results of the vote were as follows:

- Approved	89,433,789,739	votes accounting for	82.2618 %
- Disapproved	19,284,678,067	votes accounting for	17.7381 %
Total	108,718,467,806	votes accounting for	100 %
- Abstained	4,154,764	votes accounting for	-
- Invalid	25,104,610	votes accounting for	-

of the total votes of the attending and voting shareholders.

#### **Agenda 5 Consider and appoint the auditor and determining the auditor's compensation for 2018**

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer addressed to the meeting that in accordance with the Public Limited Company Act, B.E. 2535 (1992) whereby it is stipulated that the meeting of shareholders appoint an auditor for the Company every year, the Board of Directors deemed appropriate to present the list of auditors for the meeting's consideration and approval for 2018 as follow;

- Abstained	4,154,764	votes accounting for	-
- Invalid	65,081,250	votes accounting for	-

of the total votes of the attending and voting shareholders.

#### **Agenda 6 Consider and approve appointment of director, in replacement of director with expiring tenure**

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer addressed to the meeting that in accordance with Section 71 of Public Limited Company Act, B.E. 2535 (1992) and Clause 15 of the Articles of Association, it is prescribed that at each AGM, one-thirds of the total directors are to leave their office but eligible for re-election.

For this meeting, there were three directors who would retire by rotation, namely:

- (1) Mr. Metha Thamviharn Director / Chairman of the Audit Committee  
(2) Mr. Pongkawin Jungrunruangkit Director / Chairman /  
Chief Executive Officer  
(3) Mr. Santichai Tieusomboonkit Director / Vice Chairman

The Company deemed expedient and proposed to the meeting to re-elect the 3 persons namely: Mr. Metha Thamviharn, Mr. Pongkawin Jungrungruangkit, and Mr. Santichai Tieusomboonkit to return and hold office as directors for one more term due to their qualifications and for having performed their duties as a director in an efficient manner.

In this agenda, which is to vote on the directors, in order to comply with the Good Governance Policy, the Company would offer the opportunity for shareholders to vote on each candidate individually. The Company would collect the ballot papers of all shareholders in attendance whether their vote is to approve, disapprove, or abstain. The voting procedure and principle in this agenda are as the Company officer already notified the Meeting earlier.

The moderator then informed the Meeting that this Agenda would take into account the majority of the attending and voting shareholders in accordance with Section 107 (1) of Public Limited Company Act, B.E. 2535 (1992).

After the shareholders had cast their votes for each of the director, the Company staff collected each shareholder's ballot papers and brought them to be counted.

**Resolution:** The Meeting considered and resolved with the majority of shareholders in attendance and voting to approve the 3 directors with expiring tenure namely: Mr. Metha Thamviharn, Mr. Pongkawin Jungrungruangkit and Mr. Santichai Teowsomboonkij to return and hold office as directors for one more term as per the proposed details. - Invalid	0	votes accounting for	-
Total	108,749,047,142	votes accounting for	100 %

of the total votes of shareholders who were in attendance and had the right to vote.

#### **Agenda 8 Other issues (if any)**

- No other matters were raised for the Meeting's consideration. However, some shareholders expressed their opinion and recommendation as follow:

Mr. Thanawan Sintanabodi, commented and discussed with the meeting whether it would be possible to add an additional agenda regarding the dismissal of two absentee directors who did not attend the meeting in Agenda 8.

Mr. Pongkawin Jungrunruangkit, Chairman and Chief Executive Officer then delegated the Legal Department to explain.

Mr. Somchai Wuttisart, Senior Vice President of Legal Division explained to the meeting that dismissal of directors is not one of this meeting's Agendas. However, the law does not prohibit addition of agenda but must be in accordance with Section 105 of Public Limited Company Act, B.E. 2535 as explained during the explanation of voting procedures. Briefly, it consists of 2 steps: 1.) There had to be the shareholders holding at least one-thirds of the total subscribed shares altogether voting in affirmation of the matter for general meeting consideration. 2.) After Procedure 1.) had completed, the general Meeting would then cast their votes in resolving such matter to be considered as the Meeting's resolution for such matter.

Mr. Komol Jungrunruangkit, director, commented that for the sake of harmony in management, he asked for a chance for the directors because they could have urgent business to attend to and disagree on adding such agenda.

Mrs. Kunporn Wongpaiboonwattana, a shareholder, asked what would happen if the Department of Business Development's registrar declined the registration request.

Mr. Somchai Wuttisart, Senior Vice President of Legal Division further explained that should the registration be declined, the Company would have to consider which of the 4 requests was declined which are the resolutions of EGM No.1/2017 dated October 20, 2017 namely: 1. Registration of additional directors 2. Registration of capital decrease and amendment of Memorandum of Association 3. Registration of capital decrease and amendment of Memorandum of Association and 4. Registration of paid-up capital. Should the registrar decline all 4 registration requests, the capital increase funds acquired in November 2017 will have to be refunded to the shareholders.

Mr. Komol Jungrunruangkit, director, further explained to the meeting that should such be the case, the Company will have to resolve the problems through legal procedures.

Mr. Suwan (no last name declared) and Mr. Attapol Udomvanish, shareholders, both expressed their opinions similarly that the Company should hold another company visit again especially to the Power Plant at Songkhla province.

Mr. Pongkawin Jungrunruangkit, Chairman and Chief of Executive Officer explained to the meeting that he would like focus on solving the capital increase issue first. After the problem is resolved, the Company would then consider holding a company visit suggested by the shareholders.

As the meeting was convened and a considerable amount of time was spent on discussion, the Chairperson then declared the meeting adjourned and thanked the shareholders for their attendance.

The meeting was closed at 16.35 hrs.

Note: During the meeting, there were additional shareholders coming to the venue, resulting in number of attending shares to exceed the numbers when the meeting was opened. As a result, total number of shareholders and proxies are 2,865 persons, accounted for 108,749,197,142 shares or 53.4154 % of total subscribed shares.
