Subject: Shortening of Bankruptcy Investigation Schedule for the Company's Subsidiary

To: President
The Stock Exchange of Thailand

The International Engineering Public Co.,Ltd. (" the Company") disclosed to The Stock Exchange of Thailand on the 20th of July 2016 that IEC SK 1 Co.,Ltd.,the present 100% subsidiary of the Company, had been sentenced to be bankrupted by the Bankruptcy Court whereas the latter kindly had an order to reconsider the bankruptcy investigation on the 4th of October 2016 at 9:00 P.M.

Nevertheless, the Company was of opinion that the Plaintiff had confirmed that SK 1's debt payable to the Plaintiff had been fully paid whereby the Plaintiff also didn't have any intention to proceed any further legal actions against SK 1. SK1 's assets were still greater than its liabilities , thereby leaving no clue of presumably being in the bankruptcy state. Furthermore, SK1 was still capable to keep running its power generation and sale of electricity as usual. Should SK1 need to keep waiting such scheduled bankruptcy investigation on the 4th of October 2016 at 9:00 A.M., it would render the negative consequences to SK1. Thus, on the 4th of August 2016, SK1 quickly filed petition to the Bankruptcy Court in order to shorten the previous bankruptcy investigation schedule. The Bankruptcy Court kindly considered SK1's request and deemed it reasonable to shorten the schedule of bankruptcy investigation from the 4th of October 2016 at 9: 00 A.M. to the 7th of September 2016 at 9:00 A.M.

Please be informed accordingly.

Yours sincerely,
