

SET announces additional causes for possible delisting of CHUO IEC LVT and TUCC

The Stock Exchange of Thailand (SET) announces additional causes for possible delisting of

1. CHUO Senko (Thailand) Public Company Limited (CHUO)
2. The International Engineering Public Company Limited (IEC)
3. L.V. Technology Public Company Limited (LVT)
4. Thai Unique Coil Center Public Company Limited (TUCC)

They failed to submit their 3rd quarterly financial statements ending September 30, 2016 to the SET within 180 days from the due date Re: the SET's regulations for Delisting of Securities, 1999 clause 9(3), 9(5) and the SET's policy on delisting of firms submitting financial statements beyond the 180-day deadline.

Therefore, they are required to remove the causes of delisting in accordance with the SET's guideline to maintain all qualifications required for listed companies.
