

SET delists common shares of IEC, LVT and YNP from being listed securities and allows trading during July 1 – 9, 2019 by purchasing with Cash Balance Account

SET delists common shares of The International Engineering Public Company Limited (IEC), L.V. Technology Public Company Limited (LVT) and Yarnapund Public Company Limited (YNP) from being listed securities due to such companies are unable to eliminate the grounds for delisting or to repossess the qualifications in order to resume trading within specified deadline which cause their common shares subject to possible delisting under SET's regulation¹ which the grounds for possible delisting of each company are as follows:

Grounds for Possible Delisting	IEC	LVT	YNP
The company fails to submit the financial statements or late submission (Clause 9 (3) and (5))	/	/	/
The company has the shareholders' equity lower than zero (Clause 9 (6) (d))	-	-	/
The company is unable to eliminate the grounds for delisting or to repossess the qualifications in order to resume trading (Resume Stage) (Clause 9 (15))	/	/	/

SET will allow trading on the securities of 3 companies as mentioned above for 7 business days before the effective date of delisting, during July 1 – 9, 2019, under the following regulations and conditions;

1. The investors are required to purchase such securities through cash balance account which means that the investors have to pay the full amount in cash prior to purchasing.
2. NC sign will be posted during such trading period in order to alert the investors to be careful in trading securities.
3. Since there is no trading on such securities for a period of time, SET will not specify the Ceiling and Floor prices of securities on the first trading day (July 1, 2019) in order to allow securities to be traded under actual condition.
4. These securities will not be included in SET Index and mai Index calculation.

At the end of trading period (July 9, 2019), SET will delist the common shares of IEC, LVT and YNP from listed securities, effective from July 10, 2019 onwards.

Before making decision on trading these securities which will be delisted, SET requests the investors to carefully study companies' information such as financial positions, operating results, type of auditors' reports, major shareholders, board of directors, historical news as well as risks and other related factors. In addition, in order to provide service for the investors to access information, SET preliminary summarizes information of the latest financial statements together with types of auditors' reports and the latest annual registration statements (Form 56-1) that the companies disclosed via SET's disclosure system. The investors can study the companies' key information through the links in the following table.

¹SET's Regulation Re: Delisting of Securities B.E. 2542 (1999)
