

PO No. 043 / 2019

5th July, 2019

Subject : Clarification on being delisted by SET for the Company's ordinary shares from being the listed securities

To : President
The Stock Exchange of Thailand

The Stock Exchange of Thailand has notified the order to revoke the ordinary shares of The International Engineering Public Company Limited ("the Company") from being the listed securities. Such Company's securities will be opened for trading from 1st – 9th July, 2019, with that Cash Balance account.

The Company would like to inform that as many shareholders were anxious and disagreed with the SET's decision, the Board of Directors' Meeting No.4/2019 dated 25th June 2019 resolved for the Company to exercise its legal right to file a case against the SET to the Administrative Court of Thailand for a temporary injunction and for the verdict to revoke SET's decision.

The Administrative Court has since accepted the case and the Company will continue to report to the shareholders of the progress on the case in the future.

The Company also would like to inform that the Company continues operating the renewable energy business as usual. The Company still maintains the status of public company limited in accordance with the Public Limited Company Act B.E.2535. The Company will inform the progress of the delivery of financial statements or news of the Company in the future.

Please be informed accordingly.

Sincerely Yours,

(Mr. Apichet Paiboonpan)
