Re: Regarding the fire incident near GIDEC's waste separation area

Attn: President
Stock Exchange of Thailand

The International Engineering Public Company Limited ("The Company") would like to inform that on August 27, 2018 at 12.30 hrs, there was a fire incident at the waste separation area which is part of community waste management for electricity generation at Hat Yai, Songkhla province, belonging to GIDEC Co., Ltd. ("Subsidiary"). Fortunately the fire was brought under control in time, resulting in only minor damage to a waste conveyor belt and a replacement is being installed in its place.

Despite the incident, it didn't affect the Subsidiary's electricity generating operation in any way and conveyor belts in other sections are still normally operational.

Please be informed accordingly.

Yours sincerely,

(Mr. Pongkawin Jungrungruangkit)
Chairman and Chief Executive Officer
